What is a Character Community?

"Citizens are a country's best asset. The development of the attributes that are necessary for responsible citizenship should not be left to chance!"

Dr. Avis Glaze - CEO, Literacy and Numeracy Secretariat

The development of character attributes and the dispositions necessary for responsible, productive citizenship begin in the home and are reinforced in our schools, the workforce, and in the community. Please help us speak a common language and model the character attributes from which we are building a positive community culture.

What does a character community look like to you?

How can you help build a character community in West Perth?

"Be the CHANGE you wish to see in the world." Gandhi

Engaging a Community of Character

"Parents' greatest hope is that their children grow up to be kind, caring adults. Teachers want to educate respectful and motivated students. Employers want to hire honest and productive workers. We all want to live in a society comprised of people with good character."
