ACCESSIBILITY ADVISORY COMMITTEE

Achieving Accessibility

Accessibility Advisory Committee

The Perth County Accessibility

Advisory Committee (AAC) provides vision and advice to the Councils of the County of Perth and Member Municipalities to create an inclusive and accessible community.

The role of the AAC is to:

- Assist the Councils in the preparation of the Annual Accessibility Plan
- Advise the Councils on accessibility issues regarding buildings, structures and municipal premises
- Work with community groups regarding accessibility issues

ACCOMPLISHMENTS

Since the Accessibility Advisory Committee first met in 2002, they have

participated in the following projects:

- Annual Accessibility Plans
- Accessibility Audit of all municipally owned facilities
- Public Awareness campaign

CONTACT US

Help the Accessibility Advisory Committee improve accessibility in the County of Perth:

- Identify disability barriers (physical, architectural, information or communications, attitudinal, technological barriers, policy

or practices)

- Suggest ways to improve accessibility

The Accessibility Advisory Committee meets 4 times a year and will review all submissions.
