

Instructions

Each application must be accompanied by the application fee in the form of either cash or a cheque payable to the County. **An accurate scaled drawing of the subject land must be submitted.**

If the applicant is not the owner of the subject land, a written statement by the owner which authorizes the applicant to act on behalf of the owner as it relates to the subject application, must accompany the application See Section 13.0).

Please bear in mind that additional information may be required by the County, local and provincial agencies in order to evaluate the proposed Amendment. The required information may include studies or reports to deal with such matters as impacts on: the environment; transportation network; water supply; sewage disposal; and storm water management.

In addition, the applicant may be required to submit a more detailed site plan in accordance with Section 41, of the Planning Act.

Completeness of the Application

The information in this form that **must** be provided by the applicant is indicated by **black arrows (➤)** on the left side of the section numbers. This information is prescribed in the Schedule to Ontario Regulation 198/96 made under the **Planning Act**. The mandatory information must be provided with the appropriate fee and draft plan. If the mandatory information is not provided, the municipality will return the application or refuse to further consider the application. The application form also sets out other information

(eg. technical information or reports) that will assist the approval authority and others in their planning evaluation of the development proposal. To ensure the quickest and most complete review, this information should be submitted at the time of application. In the absence of this information, it may not be possible to do a complete review within the legislated time frame for making a decision. As a result, the application may be refused.

Approval Process

Upon receipt of an application, the required fee and other information (as required) Council will determine whether there is sufficient merit in processing the application further (i.e. circulation of notice and the holding of a public meeting as required by the Ontario Planning Act). The applicant is encouraged to attend a public meeting, to present the proposal. The applicant will be provided notice of any decision made by Council concerning the application. Official Plan Amendments are adopted by Perth County Council and then forwarded to the Ministry of Municipal Affairs and Housing, which involves circulation to various agencies for their comments. These agencies may require additional information to evaluate the proposal. If no notice of appeal is received within twenty days, the Official Plan Amendment is in force.
