This consolidation of the Municipality of West Perth Zoning By-law No. 100-1998, and the various amendments thereto, has been prepared for use by Municipal Officials in the administration of the Municipality's Zoning By-law. This consolidated By-law includes all of the amendments to Zoning By-law No. 100-1998 that were legally in force as of January 1, 2020. A listing of these various amendments is not included in this consolidated By-law.

West Perth Council wishes to emphasize that the attached Zoning By-law is only a consolidation of By-law No. 100-1998 and amendments thereto, legally in force as of January 1, 2020. It is not a true copy of the By-law No. 100-1998 or the amendments thereto as adopted by Municipal Council and it should not be used as a true copy. The accuracy of the zoning information in this consolidated By-law should be confirmed by reviewing a true copy of By-law No. 100-1998 and the applicable amendment(s). A true copy of By-law No. 100-1998 and the amendments thereto are available for review at the Municipal Office.

In order to assist in identifying where amendments have been incorporated into this consolidated By-law, notations have been included in the above amended text. The notations refer to the amending By-law No. and are in italic print (e.g. *ADDED BY BY-LAW NO. Z1-2000*).
