

2022 Municipal Election

Financial Statements

Every person who filed a nomination paper with the Municipality to become a candidate in the 2022 Municipal and School Board Elections must file their financial statements even if they did not raise or spend any money and even if they withdrew their nomination.

All financial statements are public documents. The Clerk must retain the statements until the new council takes office after the 2026 scheduled election. The Municipal Clerk is required to make available the financial statements electronically. Please contact the Clerk for a copy of a Candidate's financial statement.

Name	Date Filed
Walter McKenzie	2023-01-27
Douglas Neil Eidt	2023-11-30
