Application Process

Those wishing to purchase a tree and memorial plaque are invited to fill out an application from Lockhart Funeral Home or the West Perth Municipal Office. Online application forms are available online at www.westperth.com. Once the application is submitted and payment has been received, an on-site meeting at the Memorial Forest will be arranged to select a tree and complete details regarding the memorial plaque.

Cost

The cost for a memorial tree is \$250.00 which includes a plaque, installation and maintenance. Payment can be made by cash, debit or cheque (payable to the "Municipality of West Perth") to the West Perth Municipal Office or Lockhart Funeral Home. A tax receipt will be issued and an optional Commemorative Certificate may also be requested for the purchase of your living memorial.

Memorial Plaque

Memorial trees will receive a personalized plaque with engraved lettering (4.25" x 4.75"). Ordering and placement will be completed by the Municipal Office. Plaques are attached to a stake which is cemented into the ground near the base of the selected tree.

Decorations

In an effort to ensure appropriate grounds maintenance operations and to ensure general consistency and aesthetics within the West Perth Memorial Forest, the placement of decorations or other additional private memorial items within the Memorial Forest is prohibited.

Warranty

Although best efforts will be made to provide the selection of a tree of the purchaser's choice, final discretion will be maintained by the Environment, Forestry and Trails Committee. The tree will include a three (3) year warranty period. The Committee will implement best efforts to ensure that the Memorial Forest and each memorial tree is properly maintained.
