

# FORESTRY SERVICES

## 2020 Seedling Application Form

Maitland Conservation's Forestry Services are available to all landowners in the Maitland and Nine Mile River Watersheds. The program supplies planting stock that will produce conservation related benefits like windbreaks, stream buffers, reforestation and roadside plantings. Availability of species may vary from year to year. A pdf version of this form can be downloaded at [www.mvca.on.ca](http://www.mvca.on.ca). Orders can be placed by sending this form to Maitland Conservation via mail or email.

**To secure your 2020 order please contact Maitland Conservation by November 1st, 2019.**

### **Conditions of Ordering:**

1. **Minimum order of 50.** Orders must be placed in groups of 10.
2. Applicant is responsible for the pick-up of trees at a location and time designated by MVCA.
3. Applicants will be invoiced **after** trees have been picked up. **Price subject to change dependent on final tender price.**
4. Applicant is responsible for the planting and care necessary for survival including adequate protection from animals.
5. Due to environmental conditions beyond the control of Maitland Conservation, we assume no responsibility for the survival rates of the trees.

### **Customer Information — Ensure all information below is completed !**

Name: \_\_\_\_\_
