MEMORIAL FOREST

Memorial Forest Program

The West Perth Memorial Forest program provides an elegant and lasting way for members of the public to recognize and honour their loved ones through a meaningful tribute. Contributions also benefit the community, providing natural beautification and enhancing forest cover.

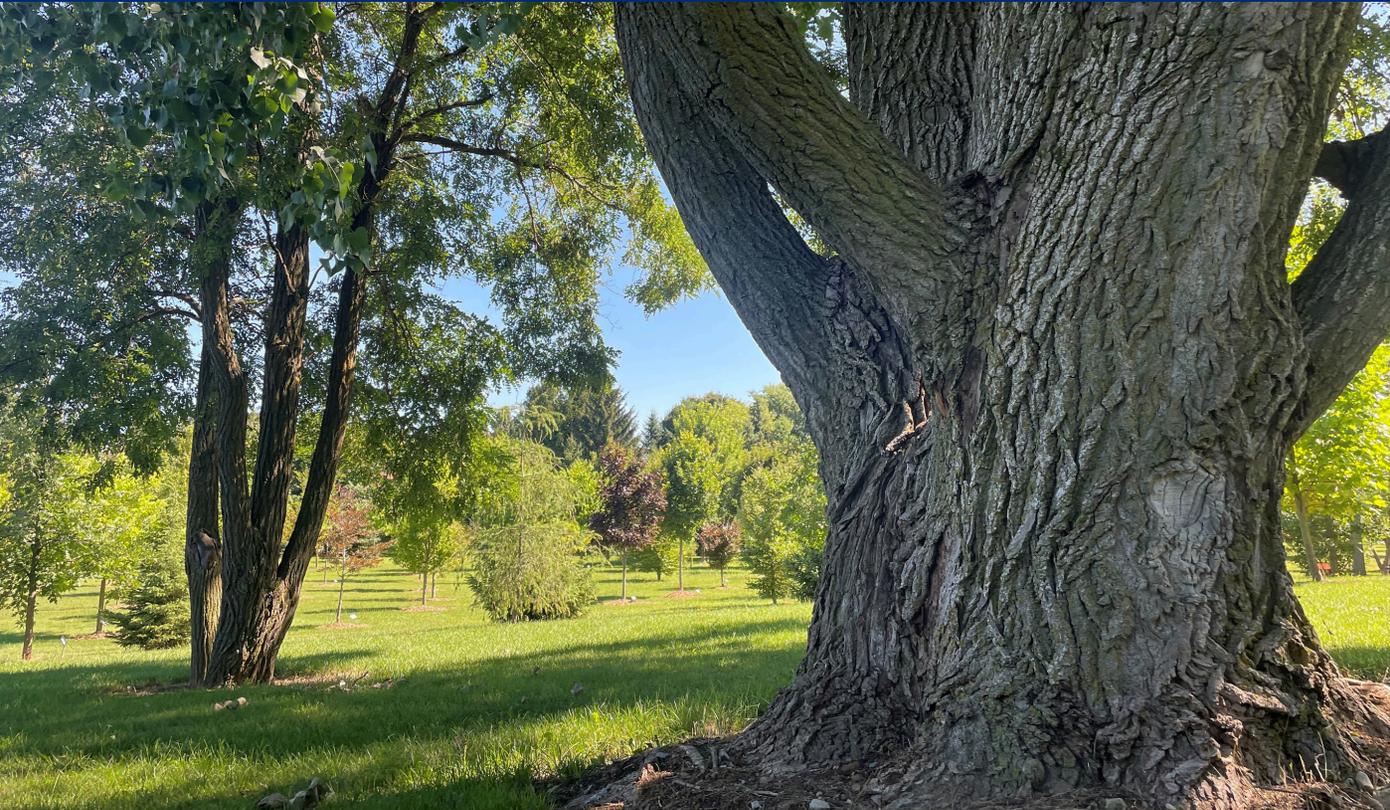

Application

Those wishing to purchase a tree and memorial plaque are invited to fill out the application form on the West Perth Municipal Website or contact Lockhart Funeral Home for more information. Once the application is submitted and payment received, details on how to select a tree and information about the plaque inscription will be worked out with Municipal staff.

Cost

The cost for a memorial tree is \$250.00 which includes a plaque, installation and maintenance. A tax receipt will be issued for your donation.

There are three main tree species to choose from: Oak, Maple, and Beech. Take a walk through the forest, pick a tree that speaks to you, and that you will love seeing grow and change from season to season.
