Voters List

VOTER QUALIFICATIONS [SECTION 17 (2)]

A person is entitled to be an elector at an election held in a local municipality if, on Voting Day (October 26, 2026) he/she:

- (i) resides in the local municipality or is the owner or tenant of land in the local municipality, or the spouse of such owner or tenant;
- (ii) is a Canadian citizen,
- (ii) is at least 18 years old; and
- (iv) is not prohibited from voting under subsection 17(3) of the *Municipal Elections Act, 1996* or otherwise, by law.

PERSONS PROHIBITED FROM VOTING [SECTION 17 (3)]

The following are prohibited from voting:

- (i) a person who is serving a sentence of imprisonment in a penal or correctional institution.
- (ii) a corporation.
- (iii) a person acting as executor or trustee or in any other representative capacity, except as a voting proxy in accordance with section 44.
- (iv) a person who was convicted of the corrupt practice described in subsection 90 (3), if voting day in the current election is less than five years after voting day in the election in respect of which he or she was convicted.

PRELIMINARY LIST OF ELECTORS (PLE) [SECTION 19]

The Preliminary List of Electors (PLE) shall be supplied by Elections Ontario in an electronic format, by August 14, 2026 or such date as to be agreed upon by the Clerk and Elections Ontario. The list shall be reviewed by the Clerk and obvious errors shall be corrected as permitted under Section 22 of the *Municipal Elections Act, 1996*, and the list shall be approved for use as the Voters' List on or before September 1, 2026.

The PLE shall contain the name and address of each person who is entitled to be an elector and any additional information the Clerk needs to determine for which offices each elector is entitled to vote.

The Clerk shall, to the best of their ability and legislative authority, ensure that an elector's name appears on the PLE for a local municipality only once [Section 19 (6)].

Where a voter qualifies at more than one location in the municipality, the voter may vote only **once** for each office and the qualifying address to determine eligibility for voting shall be the elector's place of residence [Section 19 (7)].

It is possible for an elector's name to appear on the Voters List of more than one municipality. That elector may be eligible to vote in both municipalities. For example, a person listed as a resident elector in one municipality and a non-resident elector in another municipality is entitled to vote in each, provided they are not voting for the same office more than once. School Board votes must be cast in the municipality where the elector resides.

CORRECTION OF ERRORS [SECTION 22]

The Clerk shall correct any obvious errors in the PLE prior to September 1, 2026 and notify Elections Ontario. This notification can occur when the final list of changes to the Voters List is sent to Elections Ontario after the election (see the Final List of Changes section below). However, those changes affecting a ward and voting place designation, missing streets, buildings or subdivisions, should be forwarded to Elections Ontario in time for inclusion in the September Exceptions files that Elections Ontario provides.

The Clerk may use any information that is in the municipality's custody or control when correcting the PLE for obvious errors [Section 22 (2) and (3)].

CERTIFICATION OF VOTERS LIST [SECTION 23]

The corrected PLE becomes the Voters List once it is reproduced and identified as final by the Clerk on or before September 1, 2026.

REQUESTS FOR COPIES OF VOTERS LIST [SECTION 23 (3), (4) AND (5)]

Upon written request, but not until September 1, the Clerk shall give every candidate a copy of the part of the Voters List that contains the names of the electors who are entitled to vote for that office. For example, if a candidate is running in Ward 2, they only receive the part of the Voters List pertaining to Ward 2, not the entire Voters List.

Each candidate will be required to sign the “Voters’ List Request and Declaration” **Form WP03**.

The use of the Voters List shall be in accordance with the “Policy for Use of the Voters List”

The list may be distributed in electronic format to those who are entitled to copies. The Clerk, at their sole discretion, may determine which data fields shall be included in the copy of the Voters’ List provided to Candidates for each electoral category.

All certified candidates shall receive usernames and passwords allowing them to access the Voters’ List in the Voting System or VoterView, whichever the case may be, for the purposes of viewing which electors have voted during the Voting Period. The Municipality will not produce a physical or electronic excerpt of the Voters’ List indicating Electors that have voted; it is expected that Candidates will use this access. This access does not provide information on how an elector has voted, only whether or not they have participated in the election.

ACCESS TO THE VOTERS LIST [SECTION 23 AND SUBSECTION 88(11)]

The legislation states that the Voters List cannot be posted in a public place and can be used only for election purposes.

Due to MFIPPA, details about another person, other than the person an Election Official is speaking with, should not be provided, including whether or not the individual is on the Voters List.

The list shall be accessible by authorized Election Officials, who will use the DataFix VoterView system to facilitate additions and changes during the revision period and perform other functions as required, subject to the security permissions assigned to each Official.

AMENDMENTS TO THE VOTERS LIST [SECTION 24 & 25]

Application for Change of Own Name (Section 24)

An elector may make an application to amend their information on the Voters List using the prescribed form “Application to Amend Voters List” **Form EL15** and providing proof of identity and residence as prescribed in *O. The “Voter Acceptable Identification” **Form WP30** may be posted at the Municipal Office or any other location where Amendments to the Voters List are made. In addition, it may be included in information packages, posted on the municipal website, etc.

An elector can no longer remove a family member’s name from the Voters List, except in the case of a deceased person. See Removal of Deceased Person’s Name **Form EL16** below.

If the elector does not appear in person, a certified copy showing proof of ID and proof of residence/occupancy is required.

Removal of Deceased Person’s Name (Section 25)

The Clerk may remove a person’s name from the Voters List up to 8:00 p.m. on October 26th, 2026, if the Clerk is satisfied the person has died.

- vi. October 26, 2026 – 8:30 am to 8:00 pm.

The Voter Assistance Centre shall be responsible for the following:

- a) Eligible voters who attend at the Assistance Centre and are not on the Voters List will be added to the list by filling out an “Application to Amend Voters List”

Form EL15 and providing proof of identity and residence as prescribed in O. Reg. 304/13. Their names will be added to the Voters List and they will be assigned and delivered a Voter Information Letter containing a PIN; however, for additions to the List made after September 15, 2026, the Voter Information Letter containing a PIN will be provided to the individual.

- b) Persons wishing to remove a deceased person's name from the Voters' List may submit a completed 'Application for Removal of Another's Name from Voters' List' form (EL16) to a Revision Centre, which shall be forwarded to the Clerk for review before the final decision to remove the deceased individual's name from the list.

The authorized Election Official will disable the elector's assigned PIN and electronically mark it in the system as having been lost/not received. Upon providing proof of identity and residence as prescribed in O. Reg. 304/13 to an Election Official, an oath on "Application for Re-Issue of a Voter Information Letter (Lost and Unused)" **Form WP31** shall be taken by the elector and a new Voter Information Letter containing a new PIN shall be issued.

Reg. 304/13 to an Election Official, an "Application for Re-Issue of a Voter Information Letter (Used by an Impersonator)" **Form WP32** shall be taken by the elector and a new Voter Information Letter containing a new PIN shall be issued. On October 20, 2025, By-law No. 60-2025 was passed authorizing internet/telephone voting.

SERVICE PROVIDER

The service provider for internet/telephone voting, determined by the Clerk, is Simply Voting Systems Inc.

SYSTEM INTEGRITY

The integrity of the voting process shall be the responsibility of the Clerk and shall be preserved by:

- a) ensuring that every eligible elector on the Voters List, as amended, is sent a sealed Voter Information Letter containing the voter's unique PIN, by first class mail;
- b) ensuring that no one except the Clerk, or designate, can access PINs maintained by Simply Voting System Inc that match each voter's name and address; and
- c) providing an opportunity for eligible electors to be added to the Voters List or to make amendments to the list, up until the close of voting;
- d) establishing proper procedures to ensure that no person is added to the Voters' List unless an Election Official is completely satisfied of their identity and qualification as an elector in The Municipality;
- e) establishing proper procedures to ensure that no replacement PIN is issued unless an Election Official is completely satisfied of the eligible elector's identity;
- f) ensuring that no replacement PIN is issued by anyone other than an employee of The Municipality who has been appointed in writing by the Clerk to do so; and

- g) appointing an Auditor to test the Voting System in accordance with sections below, and providing same with read-only access to the Voting System.

AUDITOR

SECRECY

All complaints regarding any and/or all breaches of secrecy shall be documented by the Election Official as well as questions and answers of the complainant and, if deemed appropriate, the Clerk shall submit same to the Police for further investigation and possible prosecution.

The Voters List shall be provided by Simply Voting Inc. to Taylor Demers Mail Processing Inc. in computer format at a time to be determined by the Clerk, to allow for printing of the Voter Information Letters in time for delivery. Voter Information Letters shall be sent via Canada Post Lettermail to all eligible Electors no later than October 14, 2026 to enable them to use the Telephone/Internet Voting service.

The Voter Information Letter will contain but not be limited to the following:

- a) the elector's PIN and the telephone number to call to cast their vote and the designated internet address (URL) to access to cast his or her vote using the Internet;

- b) instructions on how to vote;
- c) dates and hours of voting;
- d) the location and telephone number of the Revision and Assistance Centres;
- e) voter eligibility criteria;
- f) office and candidate information; and
- g) information on illegal and corrupt practices.

A person cannot give their Voter Information Letter to another eligible elector for the purpose of voting. Acceptance of another person's Voter Information Letter including the actual voting thereof will be considered an illegal and corrupt practice and therefore subject to the penalty provisions under the *Municipal Elections Act*, specifically Sections 89 and 90.

VOTING PLACES [SECTION 45]

For the purposes of elections conducted with alternative voting methods, a voting place is not required. Alternatively, the West Perth Municipal Office has been identified as a Voter Assistance Center to assist electors with the voting process, to make additions, deletions and corrections to the Voters List and to provide assistance and clarification on the election process.

VOTER ASSISTANCE CENTRE

The Municipal Office will be treated as a Voter Assistance Centre during normal business hours from October 19, 2026 to October 23, 2026 and until 8:00 p.m. on Election Day.

The Voter Assistance Centre shall be responsible for the following:

- d) Eligible voters who attend at the Voter Assistance Centre and are not on the Voters List will be added to the list by filling out an "Application to Amend Voters List" **Form EL15** and providing proof of identity and residence as prescribed in *O. Reg. 304/13*. Their names will be added to the Voters List and they will be assigned and delivered a Voter Information Letter containing a PIN; however, for additions to the List made after September 15, 2026, the Voter Information Letter containing a PIN will be provided to the individual.
- e) Eligible voters who attend at the Assistance Centre will be able to request a replacement Voter Information Letter and PIN under certain circumstances:
 - iii) where a person on the Voters List has lost/not received his or her Voter Information Letter and the PIN has not been used, he or she can attend the Assistance Centre and prove to the satisfaction of the authorized

Election Official that they require a new PIN. The authorized Election Official will disable the elector's assigned PIN and electronically mark it in the system as having been lost/not received. Upon providing proof of identity and residence as prescribed in O. Reg. 304/13 to an Election Official, an oath on "Application for Re-Issue of a Voter Information Letter (Lost and Unused)" **Form WP31** shall be taken by the elector and a new Voter Information Letter containing a new PIN shall be issued.

- iv) where a person on the Voters List has attempted to vote and their PIN has already been used, he or she can attend the Assistance Centre and prove to the satisfaction of the authorized Election Official that they did not vote the PIN and require a new PIN.

Prior to issuing a new PIN, the Election Official shall advise the elector that once the new PIN has been assigned, the elector must vote immediately at the Assistance Centre. Upon providing proof of identity and residence as prescribed in O. Reg. 304/13 to an Election Official, an "Application for Re-Issue of a Voter Information Letter (Used by an Impersonator)" **Form WP32** shall be taken by the elector and a new Voter Information Letter containing a new PIN shall be issued. The elector will be directed immediately to the Assistance Centre where telephone/internet access is available to eliminate any further misuse of the PIN.

- c) Answering election questions and referring detailed questions to the Returning Officer or authorized Election Official.

VOTING

The Voting System provided by Simply Voting Inc. shall allow electors to vote using a telephone or the internet. Electors shall be required to access a designated internet address or telephone a designated number in order to cast their ballot.

Every elector shall be limited to only one vote through the use of a PIN distributed via Canada Post Lettermail in a sealed and personalized Voter Information Letter, or issued in person or by e-mail or telephone by an Election Official as necessary. Every elector shall be required to provide their date of birth along with their PIN.

Following the voter's selection for all offices on a single composite ballot, the Voting System shall identify the voter's choices and provide the voter with the option of changing or confirming their vote selections prior to submission.

The Voting System shall enable the elector to under-vote a contest or contests, or decline from voting the ballot in its entirety, if they wish to do so.

For the purposes of reporting declined ballots in accordance with Subsection 55(4.1) 2., an under-voted ballot shall be considered an abstention from voting for one or more contests on the ballot or voting for fewer candidates than is permitted within a single contest, whereas a declined ballot shall be considered a deliberate choice by the Elector to decline the entire ballot by selecting a 'declined' option on the ballot. A declined ballot shall not include votes cast for any contest, which is separate and distinct from an under-voted ballot which may or may not include votes for all contests, one contest, or no contests on the ballot.

The Voting System shall not permit a voter to overvote, or to spoil a ballot.

If an elector is interrupted before casting their vote, they may re-commence voting later using the same method or the other method. Once a voter has cast the vote, that voter will not be granted access to Telephone/Internet Voting again.

Voting will commence on October 19, 2026 at 8:00 a.m. through to October 26, 2026 at 8:00 p.m.

Notwithstanding the closure of remote voting at 8:00 p.m. on the final day, persons present at a Voter Assistance Centre at 8:00 p.m. will continue to be allowed to access the Voting System and complete the voting process. Persons who have gained access to the Voting System through their own device prior to 8:00 p.m. on Election Day will be permitted to complete the voting process, provided that they do so by 8:05 p.m.

Prior to the activation of the system by Simply Voting Inc., being on October 19, 2026, Simply Voting Inc. shall allow access by the Clerk, the Auditor, or other authorized Election Officials as determined by the Clerk, to the Voting System by secure username and password, for the purposes of viewing a list of all of the candidates' names and possible selections for any questions or by-laws on the ballot, including the sum total of votes cast to ensure that the total votes cast indicates "0" (Zero).

Candidates or their scrutineer may be present in the Receiving Location to verify and ensure that all candidates' names are listed and the total votes cast are at "0". They shall be required to sign the "Activation of Voting System" Form WP33 form to attest to this fact.

ELECTORS REQUIRING ASSISTANCE [SECTION 52 (1) 4]

The Election Official may permit an elector who needs assistance in voting to have such assistance as the Election Official considers necessary.

Oral Oath to Vote With Assistance

A voter who requires such assistance to vote may ask the Election Official for assistance. The Election Official shall require the voter making the request to take the Oral Oath to Vote With Assistance on the “Oral Oaths At Assistance Centre” [Form WP21](#) and then assist and/or vote as directed by the voter. Any other person present must remove themselves until the voter finishes instructing the Election Official.

Oral Oath of Friend/Support Person of Elector

In lieu of the Election Official assisting a voter, the voter may request that a friend accompany them to vote. Any friend or support person who is permitted to vote shall be required to take the Oral Oath of Friend/Support Person of Elector on the “Oral Oaths At Assistance Centre” [Form WP21](#). A person shall only be allowed to act as a friend for one voter at a Assistance Centre.

Oral Oath of Interpreter

Where the Election Official does not understand the language of a voter, an interpreter, provided by the voter, shall take the Oral Oath of Interpreter on the “Oral Oaths At Assistance Centre” [Form WP21](#), and shall translate the oaths as well as any lawful questions put to the voter.

DUPLICATE VOTER INFORMATION LETTERS

Where a voter qualifies at more than one location in The Municipality, the voter may vote only once and the qualifying address to determine eligibility for voting shall be at the place of residence of the elector, as defined under the *Municipal Elections Act, 1996*.

Duplication of names on the Preliminary List of Electors shall be investigated by the Clerk and/or Election Official(s) and all obvious duplicate names of individuals shall be deleted prior to the final preparation of the Voters List as certified by the Clerk. However, should an eligible voter receive more than one Voter Information Letter, the eligible voter may only vote **once** and must return the other Voter Information Letter(s) to the municipal Assistance Centre and complete an “Application to Amend Voters List” [Form EL15](#) to remove the duplicate name(s). All electors who vote more than once or who improperly use the Voter Information Letter shall be reported to the Police for further investigation as to possible corrupt practices under the *Municipal Elections Act, 1996*.

Sealed Voter Information Letters returned to the Municipal Office shall remain sealed, shall be marked “returned mail” and be maintained in a secure fashion and destroyed at

the same time as all other Municipal Election material as provided for under Section 88 of the *Municipal Elections Act, 1996*.

Should a Voter Information Letter be returned to the Municipal Office that has been opened but has not been used for voting purposes, the Election Official shall immediately disable the PIN so that the PIN cannot participate in the voting process. In this circumstance, the Voter Information Letter shall be marked “unused” and be secured and destroyed in accordance with the above.

The Clerk in partnership with Simply Voting Inc. shall take appropriate measures to ensure that all Voter Information Letters and their associated PINs are accounted for throughout the election and after the conclusion of the Voting Period. After the conclusion of the election, Simply Voting Inc. shall supply the Clerk with a report detailing the status of all VILs/PINs during the election.

PIN PROCEDURES

Problems Accessing the System

Where an eligible voter has tried his/her PIN and has been unsuccessful in accessing the voting system, the Election Official will determine its status, and once verified:

- shall advise the voter that the PIN is valid and has not been used. The Election Official may suggest the voter try the PIN again using an alternate method (telephone vs. internet) or attend at the Assistance Centre to obtain assistance in voting.
- and they have determined that it has already been used, the voter can present themselves at the Assistance Centre with proof of identity and residence as prescribed in *O. Reg. 304/13* and have an Election Official confirm that the elector’s PIN has been used. If this is the case, follow the procedure outlined in the section titled, Voter Assistance Centre

Incorrect Information on Voter Information Letter

Where an eligible voter has received an incorrect voter PIN in terms of ward, if applicable, and/or school support, the voter can contact the Assistance Centre and have the proper category applied to the existing PIN.

If the voter has used the PIN to vote, and the voter determines that the ward, if applicable, and/or school support is incorrect, and they have not voted those races, the voter can contact the Assistance Centre and have the proper category applied to the

existing PIN. The voter can then re-access the system and vote all races not yet completed.

The elector will be required to provide appropriate confirmation of eligibility and to complete “Application to Amend Voters List” Form EL15.

Additional Instructions for revisions and PINS are outlined in Appendix ‘B’
